GOD'S MERCY—OUR NEED TO REPENT

The entire scene of our gospel today is a 'set-up' by the Pharisees to trap Jesus. Jewish law dictated adultery was to be punished by death for both parties. However, the Roman occupiers forbade the Jewish authorities to carry out the death penalty. If Jesus agreed to the death penalty, he flaunted Roman law. If he did not uphold the Jewish law, he would be seen as a false teacher - a perfect trap!

ACCUSERS LEAVE

Jesus says to the gathering, "if there is one of you who has not sinned, let him be the first to throw a stone at her". When they heard this they went away one by one, while Jesus was bent down doodling on the ground with his finger, until Jesus was left alone with the woman.

JESUS CONVERSES WITH THE WOMAN

The woman has been dragged in by the religious authorities to be used as a 'thing' to trap Jesus. At first, Jesus does not look or acknowledge her presence, but addresses the crowd and the scribes and Pharisees. Only after they leave in shame, Jesus turns his attention to the woman and establishes personal contact with her. Jesus is still kneeling on the ground and looks up at her to speak. Probably she has never been treated with this level of respect in all her life. With this action, Jesus restores dignity and honour to the woman. No longer looked down upon, she can begin a new life. The intimacy of his address to her as 'woman' echoes the term he uses addressing his mother. (John 2:4, 19, 26)

A NEW LIFE FOR THE WOMAN

Jesus neither condemns nor condones. He simply accepts the woman as she is and invites her to a new life. It is acceptance and love that allows repentance and change to occur in others.

Is there someone who is on the outer to whom you can offer support this week?

OUR CONFIDENCE IN GOD'S MERCY

We are all frail followers of Jesus, but sin is no barrier to discipleship. The only barrier is the despair that comes from self-condemnation and a failure to trust in God who refuses to condemn, as seen in our gospel today. As the journey of Lent moves to its end, let us place our confidence in the loving mercy of God. A good number of our parishioners showed this trust at last Wednesday's Lenten Reconciliation Service.

MODERN STORY OF FORGIVENESS

A bishop in Argentina, South America some years ago severely criticised rigid priests in his diocese who had refused to baptise the child of an unmarried woman. He called them hypocrites, praised the young woman who had carried the baby to term and lamented the fact that she had to wander from presbytery to presbytery for the baptism of her child. That bishop was elected Pope Francis in 2013 and our hope for the future of our Church.

CONGRATULATIONS TO THE SAUNDERS FAMILY

Last Saturday, the Bendigo Cathedral was packed with friends and priests as Jackson Saunders was ordained a priest. Jackson is a grandson of Anne and Maurie Saunders, our long-time parishioners.

COMMENTARY FOR FIFTH SUNDAY OF LENT 2022

The Gospel today combines the Themes that have been emerging during Lent: the goodness and mercy of God and the need for repentance.

The woman in this story is used as a "thing" to test Jesus.

After the Scribes and Pharisees leave the scene in shame, Jesus makes personal contact with the woman, confirming that she is a human person and not a "thing".

He calls her "Woman" the same intimate term he uses in addressing his mother.

Jesus neither condemns nor condones, but accepts the woman as she is and invites her to a new life.

It is acceptance and love that allows repentance and change to occur in ourselves and others.

Be still and know your God.

Father.... will be celebrating Mass with us today.

Please stand for the Entrance Hymn

All are welcome.

WAY OF THE CROSS

Stations of the Cross are organized every Friday from 9.4am and 6.30pm at St Anne's Church and all are welcome to join in.

AUSTRALIAN PLENARY COUNCIL

In 2016, the Australian bishops decided to hold a plenary council. The journey of the plenary council has been an act of faith - a belief that through our common baptism we can bridge differences, overcome barriers, find ways to heal and nurture seedlings of hope.

During the four weeks of March, 281 commissioned members of the Plenary Council have discerned the draft proposals leading our Church to be more missionary and more Christ-like. In May, the feedback from these members will be formulated by the Drafting Committee for the program of the second general assembly of the Council to be held in Sydney in July.

There are three main groups of people attending the Plenary Council's assemblies: Members; Advisers; and Observers. There will be 280 members representing the People of God in Australia. Advisers are people with expertise in theology, scripture, governance, formation, ecclesiology - to provide advice. Observers are likely to include Catholic leaders from New Zealand, the Pacific and Asia; leaders of other Christian Churches; and leaders of other faith traditions.
