**Parish Vision:** Christlike relationships of friendship and faith, valuing one another and sharing our gifts for the good of all

### PREPARE A WAY FOR THE LORD—HAVE A CHANGE OF HEART

This Sunday we are introduced to John the Baptist whose appearance and preaching state the theme of the entire season of Advent.

#### **JOHN THE BAPTIST**

The word baptise is from the Greek meaning to plunge into the water. The Jews had the ritual of plunging into pools of water before entering the Temple. The ritual of outer cleansing symbolised an inner cleansing of one's heart in preparation for encountering God.

The word 'repent' means 'change your way of being, change your heart.' Hence, John was critical of Jewish leaders who were merely just going through the motions of repenting. He called for relationships to be rooted in honesty and respect. He condemned arrogant reliance on one's religious origin, complacency and the shirking of responsibility and disinterest in the welfare of others.

#### **JESUS' BAPTISM WITH THE HOLY SPIRIT**

John the Baptist says in today's gospel: "I baptise you in water for repentance, but the one who follows me is more powerful than I am; he will baptise you with the Holy Spirit and fire" (Matthew 3:11) That is, he will seek to catch up human lives into the fire that is God's love, communicated through the Spirit. St Paul wrote: "the love of God has been poured into our hearts by the Holy Spirit which has been given to us." (Romans 5:5)

Only hearts truly repentant and converted will be able to be grasped within Christ's baptism. Christ's baptism brings us into the Body of Christ, the Christian community. Our mission as the baptised is to live in the Spirit of Jesus and let the gifts of the Holy Spirit be seen and shared.

As we come to the final month of 2022, we give thanks for the people of the Spirit who have made a difference in our lives and in the world.

#### **VOICE TO PARLIAMENT REFERENDUM**

Senator Patrick Dodson, a Yawuru elder, who is known as the Father of Reconciliation says that if the referendum fails, it will send a message across the world that Australia is stuck in its colonial past. (Cathnews 1 December 2022) The Catholic Bishops advocate an affirmative on the referendum.
